

Catholic Schools Sweepstakes Frequently Asked Questions

- 1. My principal received a packet concerning the Catholic Schools Sweepstakes. How can we find out more information?** Please call the Catholic Life Insurance Communications Department at 1-800-262-2548 or 210-828-9921 or email branch@cliu.com. Once a school has signed up to participate in the program, Catholic Life will assign a local agent to work directly with them.
- 2. What are the program requirements for my school?** First, schools are required to sell at least 800 tickets. Additionally, schools must agree to allow a Catholic Life Agent to hold a seminar at the school or parish. Finally, the Principal and Pastor must sign a Letter of Agreement. If the School is not affiliated with a particular parish, we ask that the Vice Principal sign the letter. **The Letter of Agreement must be returned to Catholic Life by June 15, 2023.**
- 3. What will Catholic Life provide to promote the Sweepstakes?** Catholic Life provides tickets, flyers (English/Spanish), and posters for each school at no charge.
- 4. How many tickets will Catholic Life print at no cost?** Schools that have participated in the past may order a maximum of 5x their previous year's ticket sales (Sold 1,200 tickets; order 6,000 tickets). New schools should order 5x what they think they will sell. Each ticket is personalized with the school's name and address.
- 5. Catholic Life provides the first printing of the tickets at no charge.** If a school decides that they need additional tickets a few months later, Catholic Life will ask the school to pay for printing additional tickets.
- 6. What is the price of the ticket?** The tickets sell for \$5 each. One hundred percent of the money goes immediately to the school. The school may use the funds any way they want. Catholic Life will never touch money!
- 7. What happens if the school does not sell the minimum # of tickets?** Catholic Life does not ask for any money back, nor do we require the school to pay for the tickets. However, a school that does not sell at least 800 tickets may not be asked to participate in the 2024 program.
- 8. What happens to the unsold tickets?** We ask that the school return them to Catholic Life or destroy them.
- 9. How often are tickets picked up?** A Catholic Life Agent picks up tickets every two weeks. Catholic Life provides envelopes for each classroom and school. The tickets are then mailed to the Home Office.
- 10. What happens if there isn't an Agent near our school?** Catholic Life will provide the school with postage-paid envelopes.
- 11. When does the program start?** Catholic Life provides supplies to the school in mid-August. However, the school can start the program anytime if all tickets are turned in by the February 2024 drawing date.
- 12. What can ticket purchasers win?** The grand prize winner will choose between a **Roman Holiday Vacation for Four*** OR a **\$20,000 VISA Prepaid Credit Card**. The second prize is a **\$2,500 VISA Prepaid Credit Card**. In addition, each participating school is guaranteed a \$1,000 VISA Prepaid Credit Card winner if they sell at least 200 tickets. (*or comparable prize.)
